## WATERFRONT

**TOWED TO SEA BY A SHARK**

A harpooned shark towed a launch load of hunters far out to sea yesterday afternoon, and the line finally had to be cut in order that the party could return to the harbor. In the boat were Deputy Sheriff Chillingworth, Captain Flint, McDuffie, McKinnon and Chester Doyle. They went in the launch to the outer end of the channel, and after maneuvering for some time a big shark loomed up near them. Captain Flint threw a harpoon, which buried itself fairly in the side of the selachian. The big fellow at once dived, and the boat soon sped forward, although the line was paid out very fast. After enjoying the tow for several miles the line was cut. The deputy went overboard once, but was promptly rescued by his companions.
